

Stable Grow

Introducing Stable Grow

Stable Grow is a SAHPRA-licensed medicinal cannabis cultivator in Gauteng, South Africa, producing GACP-compliant flower in high-tech greenhouses with consistent, independently verified potency. This catalogue highlights our strains, batch potencies and our precise, science-led approach from seed to harvest in a GMP-designed, energy-efficient facility.

Mandarin Cookies

THC	22%	CBD	0.1%
CBG	0.4%	Terpenes	1.1%

Mandarin Cookies is a vibrant and zesty sativa-dominant hybrid that has gained a solid reputation in the cannabis community for its lively and uplifting effects, perfect for those seeking a boost of energy and creativity. The most striking feature of Mandarin Cookies is its powerful citrus and orange flavour profile, which is both refreshing and invigorating. The aroma is equally enticing, with a spicy undertone that adds depth to the overall experience. When consumed, Mandarin Cookies deliver a relaxed and tingly sensation, making it a popular choice for medicinal use, particularly for conditions like depression, fatigue and pain.

Positive Effects

Uplifted, Tingly, Relaxed

Conditions

Depression, Fatigue, Pain

Major Terpenes

Caryophyllene, Limonene, Myrcene
